Gateway to Hope provides a lifeline for individuals diagnosed with breast cancer who cannot afford treatment. We arrange comprehensive treatment for uninsured or underinsured low income individuals diagnosed with breast cancer, as well as those genetically at high risk for the disease, who are not eligible for state or federally funded care. Dr. David A. Caplin and Dr. Marlys Schuh co-founded Gateway to Hope as they believe that every person diagnosed with breast cancer should be entitled to care, regardless of their situation.

Services donated by partners or provided by Gateway to Hope include:

Lumpectomy, mastectomy, breast reconstruction, chemotherapy, radiation, drug therapy, genetic testing, transportation, medication, medical supplies, lymphedema supplies, bras, wigs and meals.

Your participation in our Golf Tournament will allow us to:

- Develop patient treatment plans and arrange care
- Educate the community about our program, eligibility and referrals
- Recruit partners to donate medical and surgical care and support services
- Provide resources to help patients through treatment, recovery and beyond

We hope you will join us at our 3rd annual golf tournament Par Excellence!

3rd Annual
