

Breast Cancer Action Month

Opportunities to get involved and make an impact for GTH patients!

Visit www.gthstl.org for the complete list of activities

**Oct
1-31**

Brighton Collectables- West County Mall *

Experience the "Brighton Difference" during their annual Power of Pink initiative! Sales of Brighton's limited edition products aid in the quest to eradicate breast cancer through research, education, and treatment.

**Oct
1-31**

Bolden Candle Co. *

Bolden Candle Co. was born out of the idea that self-care should be indulgent, luxurious and accessible. Bolden Candle Co. candles are made from 100% organic coconut and apricot waxes that are cultivated from renewable sources. We use waxes that are soy-free, paraben-free, and toxin-free. Our unique fragrance oils are sourced globally, all-natural, phthalate-free, and luxurious.

**Oct
1-31**

Time for Dinner *

Time for Dinner is a meal assembly service that is dedicated to providing quality meals for your family's table. Customers can assemble their own dishes in a scheduled session or purchase ready-made dishes. \$1 from every BLT Quiche will be donated to GTH.

**Oct
1-31**

Getwell Family Chiropractic *

Dr. Lawrence and the wellness team take a "whole person approach" to treating patients. This includes a combination of detecting potential underlying issues that may be inhibiting the body's natural ability to heal itself and providing support to help you achieve better health through better living.

Gateway to Hope, a St. Louis based breast cancer nonprofit, provides emotional support, treatment navigation, and financial assistance to women facing breast cancer in Missouri and Southern Illinois.

*Proceeds from this event will benefit patients served by GTH
